Reference: Year End Report (11/28/00-12/31/00)

Dear Ms. Kitchen,

In response to your letter of June 6, 2001, the contribution in question was indeed designated to retire debt from the 2000 general election. The original description of the purpose of the contribution read, "Contribution: Jane Harman (CA-36-D) General Debt Retirement." Unfortunately, during the process of filing electronically, the text was cut off in the middle of the word, "General," leaving off part of that word, as well as the words, "Debt Retirement." We have changed the entry to read, "General Debt Retirement Jane Harman (CA-36-D)," and amended our report (FEC-14857 filed on June 7, 2001) to be certain that the purpose of the contribution is clear.

If you have any suggestions of what we may do to avoid this type of miscommunication in the future, we would be happy to work with you to improve the electronic filing process.

I believe this addresses the issues in question. If you have any further questions, please feel free to contact our Deputy PAC Director, Mike Mings at (202) 216-1545 or mike.mings@hrc.org.

Sincerely,

Elizabeth Birch
